Welcome New Client!

We are glad you have chosen OUCU Financial Tax Services to assist you with the preparation of your 2024 tax returns. We look forward to working with you!

Attached you will find a tax organizer which will assist you in gathering your documents. The organizer consists of several forms. First, is a personal information sheet. Please take the time to fill in each section with your information and answer the questions. Next, is our questionnaire. Please be sure you answer all the questions on the first side and, if applicable, the second side. Also, you will find our engagement letter that we ask you to read, sign and date.

We will not be able to start on your tax return until we receive all these completed forms along with your tax documents. When you have finished the organizer and gathered your documents you are ready to begin our process. **You do not need to schedule an appointment and may drop off the organizer with your documents at any time during our open hours** (Monday through Friday 9:00 am to 5:00 pm) You may also send us your documents securely online. We utilize a program called ShareBase. This program allows us to share sensitive financial documents more securely than through emails. Engagement Letter for Preparation of Your 2024 Tax Returns

:

Thank you for choosing OUCU Financial Tax and Accounting Services to assist you with your 2024 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2024 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover. The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee is based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due and payable upon document signature. All accounts not paid within thirty (30) days are subject to interest charges to the extent permitted by state law.

We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, in a secure location. We retain copies of your records and our work papers from your engagement for up to seven years, after which these documents will be destroyed.

Review all tax-return documents carefully before signing them. Our engagement to prepare your 2024 tax returns will conclude with the presentation of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return.

Thank you for the opportunity to be of service. If you have any questions, contact our office at (740)597-2820.

Sincerely,

Lisa Wood EA
